4.1	<p>Committee members farewell</p> <p>Secretary: Benefits: Skills, meeting new members, proud of achievements. Student award a big achievement.</p> <p>VP: 3 years on and off. Great to get to know other people and organisations. Thrill to get Stephen Jones as patron. In roads made with VRC.</p> <p>Jo H: 2nd year as member, 1st on committee. Ups and downs, but would like to stay on next year as state rep next year. Organising design award was a very large undertaking.</p> <p>Sandy A: Easier year, great response through QLD facebook page. Encouraging state to share what they are doing. Have to be organised. Happy doing it, but happy for others to step up too. Experience that is leaving will be missed, and members need to be supportive. Wishes executive all the best. Thinks there is improved national communication.</p> <p>Helen W: Encourage new members to join the committee. Getting a lot out of it, getting to know more members. We need people to join us next year. It has been an amazing experience.</p> <p>Felicity Northeast: If you don't feel ready for a committee position can join in other ways. Treasurer position is up for grabs, 1 person has shown interest, but that doesn't mean others can't be interested.</p> <p>Katherine Cherry: Enjoyed, but just getting into it so would like to stay on next year. Will miss executive.</p> <p>Rose Hudson: President easiest job she reckons. Recognises the work of the other executive, and ordinary members. Other states growing and probably could do with a couple of reps from the larger member states. President is a people person job.</p>	10 min	2018 committee
